## ADDENDUM 3

**SUBJECT:** Formal Invitation Bid (IFB) For **FY 2011 IMP Reclamation Program** - Dated Feb. 6, 2011

**DATE: March 3, 2011**

Addendum No. 3 includes the following:

**A. ANSWERS TO QUESTIONS RECEIVED BY THE CITY ARE ANSWERED AS FOLLOWS:**

1. You require a 10% "Small Business" participation in this project. DO DBE's qualify under this requirement, or if not, is there a guideline that establishes this standard?
  - A. No, DBE's will not count toward the 10% SBE subcontracting goal, only firms that are certified as SBE and are within the San Antonio Metropolitan Statistical Area (SAMSA) through the South Central Texas Regional Certification Agency will count towards the 10% goal. For more information regarding the SBE subcontracting program and SAMSA, please refer to the 050 SBEDA guidelines.
2. The proposal requests "Relevant experience project sheets". We have done all of the TXDOT work that falls under reclamation, and have two machines set up for this type of work, but we have not done any business with the city in the last 5 years, and no work near a park that we could use as our experience, but have worked for the city in the past many times, and have been in business for 26 years, primarily working for TXDOT in the last 5 years. Can we use TXDOT projects that we have done in the last 5 years as our experience requirement, and would that meet your standards requirement?
  - A. Please complete the relevant experience project sheet to the best of your ability including similar projects done for TxDOT. Please reference projects that were done for CoSA (even though it is outside the 5 year range) and the project managers so they can be contacted.
3. We are unfamiliar with your subcontractor declaration sheet, and since we get bids in at the last minute, and would like to provide you with the best cost possible, do we need to have every subcontractor submit this sheet with their quotes, and can we have them submit that signature by faxing that declaration to us to turn in with our bids?
  - A. **Yes, you will need to list all the subcontractors you intend to use for the project as well as a signed Letter of Intent for each of them. Fax copies are fine as long as they are signed.**
